

BAMBI CHAIR

Designed by Takeshi Sawada

.....

The Bambi Chair by Takeshi Sawada is an object made from the heart, a true sculpture of fine art and a children's chair. It is made in fine materials with very clear references to the fallow deer. The back of the chair is formed like small antlers and the seat is upholstered in faux fur with small white dots giving it its characteristic appearance.

Dimensions :H40 x W30 x D28 cm / SH 33 cm

Weight: 2,3 kg

Material: Carpenter made in fine solid oak and walnut, seat in foam and faux fur
